Subj:- Loans granted under the Community Projects Scheme

The A.G. in his letter No. T.19. Loans. 287-9 dated the 17th October, 1957 has asked to intimate whether the loan sanctioned towards the purchase of bullock cart are being recovered or not. The loan sanctioned is repayable in four equal instalments commencing from March 1955. The Registrar C.S. was asked to submit his report. Inspite of 10 reminders no action appears to have been taken for effecting recovery. All the reminders issued in this connection are kept below for perusal. The Registrar may be addressed to give strict instructions to his subordinates to see that all Govt dues are recovered intime failing which they will have to be punished suitably.

For orders.

A.S.

It has been ascertained that although loans were sanctioned to four co-op. societies viz Kuppanna cooperative Bank Ltd to purchase pump sets, neither the amt. nor the pump sets passed through the Society.

On the orders of the D.C., the A.O. issued pumpsets to (1) Shri G.M. Irigarajaiyah, (2) H.B. Basappa (3) G. Panchamaraja (4) M.S. Subbaraja (5) V.D. Gowrappa and (6) C. Basappa and obtained acknowledgements from them. The A.O. drew Rs. 15,630/- and adjusted it as receipts under Agriculture. The Societies and the Bank appear to have told the Asst. Regr. that they are unable to make any collection from the parties as the pumpsets did not pass through them. The parties who have taken the pumpsets appear to have told that they do not know the value of pumpsets supplied to them and the instalments due from them. Some are complaining that the pumpsets are not in order and that they have not been supplied the whole set.

4

In the order sanctioning the loans the Regr. C.S. was asked to report the actual date of payment of loan for fixing up instalments. This was on 3.11.54. He has not submitted this report as yet. If asked, he will be asked to submit a detailed report after taking immediate action to obtain necessary bonds for the amt. advanced.

Resubmitted. Inspite of issue of 12 reminders and also by making personal requested the reply requested for has not been submitted. Added to this the D.C. is also reminding. This point has been personally enquired by the

Asstt Secretary both to the Asstt Registrar and the Manager. The Manager is the person who is dealing this Subject in the office

The D.C. is the authority who 14
should recover the amount and by his persistent efforts he was unable to move the Registrar's staff and he was forced to make to a report to Govt. Further the A.G. has also reminded.

No useful purpose will be 15
served by reminding the Registrar. In view of the above the Manager will have to be warned to submit the same without delay. Now the staff under the Registrar has been increased and there is no point in delaying submission of replies. By this it has to be observed that the staff will never come for the reminders of the Govt. For orders.
